This is the new generation icon pack designed with your current version of Windows 10. Its icons were carefully crafted so that they will fully integrate with your current Windows 10 visual style. G-Unit 2022 Crack is a set of 2100 high-quality icons with various shapes, size, color and text styles. The total size of this icon pack is around 1500 KB. The icons are provided in both 96x96px and 256x256px versions. These icons are guaranteed to enhance your file management experience. The quality of the icons in this icon pack is absolutely amazing! The sizes are decent and the 1/32 sharpness of the icons makes them look more sharp and clear than other icons packs. Although it was a bit of a pain when changing to this icon pack (I think I messed up something) it was well worth it.
