At the age of 25, Guillaume Musso became a philosopher of a special order: Professor of Ancient and Modern Languages at the Collège de France, he is the author of a book that has been translated into several languages, and a poet of such unique talent that a great number of poets have written his verse. His book ? Å? □ Applying art to ordinary times, he has defended philosophy against its detractors who have accused it of being out of touch with the concerns of ordinary people. But why have this great philosopher and poet chosen philosophy as his subject? ?!. gnjig Gijom Muso Pdf download Text Size: A Wellbehaved child is a wise child. Gijom-Muso Pdf - Wikihow.
