RS Aggarwal Mathematics PDF " Get Free PDF Downloads of RS Aggarwal Book Solutions of Class 7, . D is defined as the set of all dyadic rationals. I use this to describe the function on the right hand side of the . 301 So.2d 111 (1974) STATE of Alabama v. M.D. ANDERSON. SC 829. Supreme Court of Alabama. July 11, 1974. William J. Baxley, Atty. Gen., and James F. Hampton, Asst. Atty. Gen., for the State, appellant. B. D. Jones and Frank W. Riggs, Jr., Birmingham, for appellee. BLOODWORTH, Justice. The State of Alabama appeals from the dismissal of an indictment by the Shelby County Grand Jury against the appellee, M.D. Anderson. The indictment charges the appellee with offering *112 money or a consideration, to each one of two men named in the indictment, with the intent to influence his testimony as a witness to a criminal offense, in violation of § 135 of the General Criminal Statutes of Alabama, as amended, Act No. 593, General and Local Acts of Alabama 1971, approved June 19, 1971. In his motion to quash the indictment, the appellee charged that "the grand jury was illegally constituted because of the exclusion of Negroes, contrary to the Constitution of the State of Alabama." The motion was supported by the affidavit of a member of the grand jury and was overruled. The State's brief states in part: "Appellant assigns as error the refusal of the trial court to quash the indictment and the overruling of the motion to quash made by the Appellant, on the ground that the grand jury was illegally constituted because of the exclusion of Negroes, contrary to the Constitution of the State of Alabama." The indictment was returned on November 23, 1973. On December 20, 1973, the appellee filed a motion to quash the indictment on grounds other than the exclusion of Negroes, as alleged in his motion. The trial court overruled the other grounds of the motion, granted the app
