Mountain and Recycled Rock first argue that the Trustee did not reject within the meaning of § 365(g) because the Trustee's posture regarding the Property was no more than a prospective buyer attempting to resolve the parties' bankruptcy estate's rights. Specifically, Foothill Mountain and Recycled Rock argue that it was the Trustee who rejected the lease by conducting on-site inspections of the Property and signing a letter of intent with the buyer. Foothill Mountain and Recycled Rock argue that the Trustee never rejected the lease, yet the Trustee's actions regarding the Property were clearly intended to reject the lease, and they contend that such a result would put a landlord in an untenable position. Foothill Mountain and Recycled Rock additionally argue that the Bankruptcy Court incorrectly concluded that the Trustee's rejection of the Lease was

It's the music that makes us want to dance and sing along, and it's the music that reminds us that we are who we are in a fleeting moment where the past and future are both nearly nonexistent. The movie will explore the two main beats of hip-hop. We will start with the early days of the culture

in the Bronx, NY. Then we will examine how, in the late 70's and early 80's, hip-hop transitioned from the Bronx to other areas of the world. In 1985, the genre's change from the Bronx wasn't so drastic. It was more of a slow transition, but artists would move to Los Angeles and find the spotlight. The urban revolution of the sixties and seventies laid the groundwork for rap. Conformity to a certain type of music, which would appeal to a demographic, would create a new musical path for later generations to work towards. In the film we will explore how this progression of the genre occurred. What is happening today, in the U.S. is a result of what happened two decades earlier in the American cities. The cultural movements that were sparked by the civil rights movement were essentially ignored. Even though the music and art flourished outside of the Civil Rights Movement, the generation that grew up in the sixties, seventies, and eighties was defined by that movement. Chicago is another place that helped to shape hip-hop culture. The city was made infamous by Al
