In Legend of Heroes: Trails of Cold Steel III, the war of ideals between the Kingdom of Erebonia and the Empire of Ragna has degenerated into civil war. Brave students from across the land must go on a quest to resurrect their country and confront the evils threatening to destroy it. Key Features:

- Lots of Fights! Whether you take on enemies in battle or take part in the intrigues of the Imperial capital, the number of fights in the game will amaze you.
- How Did I Get Into That? A number of events and story information are revealed during the story as you explore the Lands Between.
- Various PvP Battles Fight the Empire in a variety of spectacular battles in the Imperial capital.
- Powerful Support Characters Meet lots of new characters who will support your quest.
- Influence Points System Become the hero you want to be. You can choose various support and political parties to advance your character's standing in the country.
- New Battle System The new battle system offers new strategic actions, ranging from underhanded strategies to wild, reckless fighting.
- Change Theme Quickly One of the major features of Legend of Heroes: Trails of Cold Steel III is that you can change the theme of the game's music and dialogue at any time.
- Equipped Crafting System Equip the required items for crafting weapons and equipment to

I am expecting to receive just one record, but instead I am receiving 4. Below is a snippet of the code I am running. Any insight as to where I am going wrong would be greatly appreciated!

```
Thanks from xmldataapi import * #xml string to be parsed doc =

## **MAJOR UPDATE 2.1**

In the game's first major update 2.1, we have added additional statistical data and an in-depth improvement plan.

For more information, please refer to the following post.

---

## **What's new:**

### **Weapon of Choice**

**A variety of swords, each with different abilities. Characteristics of swords, such as their sharpness and durability, determine the usage of the equipped/outfitted sword.**

### **Armor of Choice**

**A variety of armors, each with different abilities, and a corresponding effect on your character.**

### **Mana of Choice**

**A variety of spells such as a creation spell used to summon the god of darkness, a poison spell used to poison yourself, a resurrection spell used to resurrect yourself, and so on.**

### **Others**

**Your and your party's max HP, max magic, and maximum attack power are represented by different symbols.**

### **Battle System**

**A turn-based battle system in which the order of attacking is determined by the number of the sword's stars. Up to four swords can be equipped, and on-**

**screen at any time, each sword is equipped with an elemental attribute from Ether Slayer I or Ether Slayer II.**

**Field View** When you log in, you can view your map, status, and equipment to plan your progress, and see the status of your opponent. You can participate in battle, or simply observe your opponent's movements.

### **Stats**

**Each character has four attributes (hit points, health, attack power, and attack speed), 16 stats (STR, AGI, INT, DEX, VIT, and so on), which are collected during battle.**

### **Items**

**Equipping different kinds of items will change the abilities of your sword or your character, and can be used to support other characters in battle.**

**Crafting Elements** Every weapon, armor, and item has its own crafting element and ingredient.

**Etherinbranding** The fire attribute character arts or the dark attribute character arts of the sword can be engraved or imbued with other attributes, such as the fire attribute to increase the attack speed of swords.

---

## **Elemental Attributes**

**Ether (red background) - Elemental attribute that increases the number of stars of the weapons you wield. Aguamenti - Elemental attribute that increases your maximum HP. Estamina - Elemental attribute that increases your chance**
